Hey, It's Cayla! Your friend at the front desk 🧡

Well, we survived the back-to-school craziness and are finally getting back into our routine! School traffic, drop-offs, snacks, and planning for the week. And now we're adding track into the mix with two of mine racing this year!

Hopefully September brings us some cooler weather. And before I go, the JEA water testing results are in, and thankfully the water is safe! See you soon... don't forget to drink your water!

Cecil Pines Gets an A+!

"A huge THANK YOU to all residents who donated school supplies for my classroom! Your kindness started our year stocked up and ready!" — Mrs. Michaels

The Library is Almost Ready!

We appreciate your patience while finishing touches are completed. Reopening announcement coming soon!
